

ANDY ROONEY and MORE.....

Constitutions

What's the difficulty about drafting a Constitution for Iraq? Why don't we just give them ours? It was written by a lot of really smart guys, it's worked for over 200 years, we're not using it anymore.

Morality

The reason that we can't have the Ten Commandments in a courthouse is that you cannot post "Thou Shalt Not Steal", "Thou Shalt Not Commit Adultery", and "Thou Shalt Not Lie" in a building full of lawyers, judges and politicians. It creates a hostile working environment.

Zero Gravity

When NASA first started sending up astronauts, they quickly discovered that ball point pens would not work in zero gravity. To combat this problem, NASA scientists spent a decade and \$12 billion dollars developing a pen that writes in zero gravity upside-down on almost any surface including glass and at below freezing to over 300 C. The Russians used a pencil. Your taxes will be due again. Enjoy paying them.

COWS

Is it just me, or does anyone else find it amazing that our government can track a cow born in Canada almost three years ago, right to the stall where she sleeps in the state of Washington. And they tracked her calves to their stalls. But they are unable to locate 11 million illegal aliens wandering around in our country. Maybe we should give each one a cow.

Andy Rooney on Monica.

Can you believe it? Monica turned 28 this week. It seems like only yesterday that she was crawling round the White House on her hands and knees.

Andy Rooney on Vegetarians.

Vegetarian - that's an old Indian word meaning "lousy hunter."

Andy Rooney on Prisoners.

Did you know that it costs forty-thousand dollars a year to house each prisoner? Jeez, for forty-thousand bucks apiece I'll take a few prisoners into my house. I live in Los Angeles. I already have bars on the windows. I don't think we should give free room and board to criminals. I think they

should have to run twelve hours a day on a treadmill and generate electricity. And, if they don't want to run, they can rest in the chair that's hooked up to the generator.

Andy Rooney on Fabric Softeners.

My wife uses fabric softener. I never knew what that stuff was for. Then I noticed women coming up to me, sniffing, then saying under their breath, "Married!" and walking away. Fabric softeners are how our wives mark their territory. We can take off the ring. But, it's hard to get that April Fresh scent out of your clothes.

Andy Rooney on morning differences.

Men and women are different in the morning. We men wake up aroused in the morning. We can't help it. We just wake up and we want you. And the women are thinking, "How can he want me the way I look in the morning?" It's because we can't see you. We have no blood anywhere near our optic nerve.

Andy Rooney on cripes

My wife's from the midwest. Very nice people there. Very wholesome. They use words like 'Cripes' 'For Cripes sake.' Who would that be; Jesus Cripes? The son of 'Gosh' of the church of 'Holy Moly'? I'm not making fun of it. You think I wanna burn in 'Heck'?

Rooney on Grandma

My grandmother has a bumper sticker on her car that says, 'Sexy Senior Citizen.' You don't want to think of your grandmother that way, do you? Out entering wet shawl contests. Makes you wonder where she got that dollar she gave you for your birthday.

Rooney on answering machines.

Did you ever hear one of these corny positive messages on someone's answering machine? "Hi, it's a great day and I'm out enjoying it right now. I hope you are too. The thought for the day is: "Share the love." BEEP "Uh, yeah...this is the VD clinic calling....Speaking of being positive, your test results are back. Stop sharing the love.."

===THE BLESSING===

The Sunday School teacher asked, "Now, Johnny, tell me, do you say prayers before eating?" "No sir," he replied. "We don't have to. My Mom is a good cook!"

=== HALF PRICE ===

US Air recently introduced a special half fare for wives who accompanied their husbands on business trips. Expecting valuable testimonials, the PR

department sent out letters to all the wives of businessmen who had used the special rates, asking how they enjoyed their trip. Letters are still pouring in asking, "What trip?"

=== LIFE AFTER DEATH ===

"Do you believe in life after death?" the boss asked one of his employees. "Yes, Sir," the new employee replied. "Well, then, that makes everything just fine," the boss went on. "After you left early yesterday to go to your grandmother's funeral, she stopped in to see you."
